

## Brief CV

中文姓名/ Name	Gang Yang	性别/ Gender	Male	
职称 (Pro./Dr.)	Prof.	国家 /Country	China	
所在单位 University/Department	Southwest University			
研究领域 Research Area	Catalysis mechanism (e.g., biomass conversion and CO <sub>2</sub> activation); microscopic understanding of interfacial & environmental processes			
<p>Prof. Yang was born in Tongcheng, Anhui. He obtained Ph.D. degree from Dalian Institute of Chemical Physics, CAS in 2006, and after being an associate professor for five years in Northeast Forestry University, he moved to Eindhoven University of Technology to continue the studies as a postdoc researcher. Since 2013, he becomes a full professor in Southwest University. He has co-authored 130 peer-reviewed papers (121 SCI-cited, 5 cover stories), 1 book and 8 book chapters. He has been awarded as Excellent Talents of Higher Education in Chongqing and in charge of a number of projects such as Innovative Research Group of Chongqing and National Natural Science Foundation of China. He has delivered speeches in many international and domestic conferences. He serves the editor for Current Chinese Science, PLoS One, Colloid and Surface Science as well as referee for more than 60 international journals (e.g., <i>Angew. Chem. Int. Ed.</i>, <i>J. Colloid Interf. Sci.</i>, <i>Appl. Surf. Sci.</i>, <i>Environ. Sci.: Nano</i>, <i>J. Phys. Chem. C</i>).</p>
